Hello Fresno West Stake. Did you know that there is a family and spouse support group for those affected by a loved one who is struggling with an addiction? The meeting is held live and on zoom every Tuesday at 7:00 in the High Council room at the stake center. Please watch the video https://m.youtube.com/watch?v=E3eaFRD1D10&t=14s and if you have any questions, please feel free to reach to one of our facilitators, whose numbers are listed below. THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

Yosemite Ward

November 7, 2021

Dear Unit Leaders, Ward Members

The State of California has lifted many of the statewide restrictions that were put into place because of COVID-19. We have been asked by the Brethren to follow local guidelines which can be found at (https://covid19.ca.gov/safely-reopening/).

Effective immediately, masks and social distancing are no longer required for those who are fully vaccinated. This is to be done on the "honor system". No leader, (or member) should "police" whether or not people are vaccinated.

Please continue broadcasting sacrament meetings (less the sacrament ordinance) until further notice. Worthy priesthood holders are still authorized to administer the sacrament in their homes under your bishop's keys.
